# Nilesh Krishnan

Programmer at A44

New Zealand

## Summary

I'm a game developer who has been working in the industry for a bit over 5 years. I am quite experienced with C++ and C#, along with game engines such as Unreal Engine, Unity and Godot. I am also quite comfortable with working on custom game engines and using a wide array of libraries. I have also worked on titles ranging across multiple platforms, including PC, Console and Mobile.
